

LOBBIES NOW OPEN

Visit us in person soon

We're happy to report that, consistent with guidelines from the CDC and the federal government, all of Velocity's branch lobbies have re-opened for walk-in access.

If this news makes you happy, you can't imagine how thrilled we are to see you again and to make your financial life a little easier by meeting with you personally.

Throughout the pandemic, you've done a terrific job utilizing other channels for conducting transactions with us, including our [online banking](#) and [mobile app](#), [drive-thru service](#), and our shiny, new [VelocityLIVE ITMs](#).

When necessary over the past year, you made appointments to visit our branches and patiently followed the safety protocols we put in place to help keep everyone healthy and well.

Great job!

Thank you for understanding our continued request for social distancing in-lobby, and mask-wearing for those of you who have not yet received the full COVID-19 vaccination.

IN THE COMMUNITY

Donate now to protect seniors this summer

Central Texas is projected to have one of its HOTTEST summers in recorded history. To ensure that everyone has the ability to cool off, we are **accepting donations through Velocity online banking** toward Family Eldercare's Summer Fan Drive for the entire month of July.

The annual Summer Fan Drive assists in preventing heat stroke, other heat-related afflictions, and death among frail, low-income elders living without fans or air conditioners in their homes.

Let's help our neighbors in need and donate today!
