In addition to giving back to our members, Velocity was able to award \$2,500 to each of the following four charitable organizations:

As the largest hunger-relief charity in Central Texas, Central Texas Food Bank helps to nourish hungry people and lead the community in the fight against hunger.

**United Way for Greater Austin** unitedwayaustin.org

#### **UPCOMING HOLIDAY CLOSURES**

In observance of the federal holidays, Velocity Credit Union will be closed:

#### Mon., Jan. 17: Martin Luther King, Jr. Day

The civil rights leader's "I Have a Dream" speech was not his first

at the Lincoln Memorial. He spoke about voting rights during the Prayer **Pilgrimage for** 

Freedom on May 17, 1957 before a crowd estimated at up to 30,000 people.

Mon., Feb. 21: **Presidents Day** At 5 years of age, future President Franklin D. Roosevelt met President Grover Cleveland. Cleveland said "I am making a

Cleveland

wish for you. It is that you may never become president of the United States". How'd that work out?

#### Mon., May 30: Memorial Day

Flag etiquette on Memorial Dav is unique. At sunrise, a flying flag should be quickly raised to full-staff then slowly lowered to half-staff to honor men and women who have fallen in the line of duty. Then, at noon, the flag should be quickly raised to full-staff to salute all of those who have served.

# A letter from President Debbie Mitchell

ear Velocity members, Happy New Year! As the holiday season wraps up and we close out 2021, looking forward to a more normal 2022, I'm pleased to share with you a few highlights of the past year.

We are grateful for your patience as, together, we weathered the second year of the global COVID pandemic.

I am again happy to report that we are ending this year in a strong financial position ensuring continued stability no matter what the future holds.

We were able to maintain our high level of service in 2021 even as we dealt with closures, everchanging medical guidance and unexpected resurgences, as well as a necessary shift to remote

work. Modern technology including our mobile apps, online banking, and our new VelocityLIVE interactive

teller machines (ITMs) complemented our strong commitment to service and positive, hopeful attitudes in handling your transactions with as little inconvenience as possible.

In the midst of all of the uncertainty, we tackled our biggest and most complex project in years. We completely overhauled our core computing system — the technology that enables almost every transaction we conduct for you. This months-long process can be difficult in the best of times; the pandemic's sudden shift to remote work and other unexpected circumstances made the process especially challenging.

We hope that from your point of view, it was relatively seamless.

As we look forward to better times and a return to more structured workflow, our branch lobbies have reopened and many of our employees have returned to our headquarters at Quarry Lake Business Center in Northwest Austin.

Thank you for your grace under pressure during the past year, and your loyal membership as we continue to grow and improve.

All the best, Debbie Mitchell, President/CEO

#### VELOCITY IN THE COMMUNITY

### Velocity helps Habitat for Humanity raise the roof

Last Fall, Velocity continued its committment to the community by joining other members of the Austin Chapter of Credit Unions and their partners to sponsor **The House that Credit Unions Built**.

The partnership with Habitat for Humanity resulted in the construction of a safe, accessible and affordable new home. The future homeowner is Crystal, a single mom. Her children, Justin, 10, and Bailey, 9, will be able to grow up in a stable home with their own rooms and safe space to play. Crystal will be able to care for herself and her family without the anxiety that comes with housing insecurity.
