HOLIDAY CHEER FROM JASPER THE RHYME-A- SAURUS

'Tis almost the season for joy and glee,
let the bells jingle while we trim the tree!
More important now than ever before,
we hope this newsletter finds you smiling more.
Give it a read once or twice,
find some local events – maybe even thrice.
And as you spend time with family and friends,
this is a good time of year to make amends.
We wish you the best and here is the reason,
everyone deserves a happy holiday season!

- Jasper

Is Santa a financial genius?

We think so! Imagine, 12 months in a year and Santa chooses December to hand out all those gifts. How does he do it?! I bet he knows how to budget — do you?

- If Santa needs to save \$100 for one child's Christmas gift and \$10 for a stocking gift, then he needs a total of \$110 for this plan to work. (Here's the math: $\$100 + \$10 = \$110$)

- He has 12 months to save up starting every January, so $\$110$ divided by 12 is $\$9.17/\text{mo.}$
- That doesn't seem too bad, he just saves little by little until he reaches his goal!

You're as capable as Santa when it comes to budgeting. Just remember, slow and steady wins the race when you have a clear goal in mind! (*Add Santa laugh for effect.*)

Holiday Recipe – Cookie Santa Hat

It's a known fact that Santa Claus loves cookies! So, here's a fun and festive cookie recipe for you to try this Christmas. ...

Ingredients:

1 lb. of strawberries (tops removed)
12 sandwich cookies (winter edition)
½ cup of softened butter
1 tablespoon of whole milk
1 teaspoon of vanilla extract
2 cups of powdered sugar

Instructions:

1. After removing the hulls and washing the strawberries, make sure they're dry.
2. Freeze the strawberries for 30 mins. or until firm.

3. In a bowl, cream the butter by mixing it gently then stir in milk. Little by little add powdered sugar until whipped consistency.
4. Pipe* frosting into a circle at the top of the sandwich cookie until it resembles a mini fur ring.
5. Press a strawberry into piped frosting large end down.
6. Pipe a dot on top of the strawberry to resemble the hat's fluff ball. Now enjoy!

**If you don't have a piping bag, you can use a Ziploc bag and just snip off a bottom corner to squeeze out the frosting.*

#BETTERTOGETHER

Help others by volunteering this holiday season

Is your family looking for volunteer opportunities? Our community is filled with them. Whether it's a local food pantry or a toy drive, everyone can give back. Here are a couple of worthwhile places to start:

Central Texas Food Bank

Centraltexasfoodbank.org

This year, Velocity Credit Union and members donated \$2000 to support CTFB's community efforts in running food pantries, delivering school meals to qualifying children, and providing educational material on healthy eating across the state of Texas.

Operation Blue Santa

Bluesanta.org

This season can bring joy to many families, but not everyone can experience the delight of opening Christmas presents or trying on a warm coat.

Operation Blue Santa, led by our local police department, is a chance to donate gifts and/or clothing that will be given back to deserving community members.
