Did you know?

Many credit unions and banks will pay dividends/interest to a member's savings account over time.

DIAMOND

The hidden power of SAVINGS!

Saving is one of the many tools in your financial toolbox and, like diamonds, it's hard to break if you have a goal in mind. Let's see how consistent saving affects an account's balance over time. **Scenario: You save \$25 every month.**

The Captain's Savings:

Starting balance: \$50

After 2 months ...

Ending balance: **\$100**

2 times more than the start!

After 5 months ...

Ending balance: **\$175**

3.5 times more than the start!

After 12 months (1 year) ...

Ending balance: **\$350**

7 times more than the start!
