COZY IN THE COMMUNITY

We're always sharing the warmth with our community members and incredible non-profits in the area. Below is a fun recap of our efforts this year!

Teacher Appreciations Kits – United Way for Greater Austin

This year, Velocity participated in a workshop led by our dear friends at the United Way for Greater Austin. We were able to create over 300 appreciation kits for elementary school teachers and their students with the help of our Veloci-teers! Teachers are raising our future leaders, so these kits are packed with everyday teaching essentials, learning resources, AND books. Supporting our teachers is supporting our community!

Superhero Run – CASA of Travis County

Our annual collaboration with CASA of Travis County brought us back to the Circuit of the Americas in September for a morning of fun and laughter at their Superhero Run event. Superheroes from all over were in attendance; we might have caught someone flying too! As an exclusive Race Bib sponsor, Velocity stood out and made sure to capture the creativity of our community. CASA of Travis is renowned for its legal advocacy on behalf of children navigating challenges within the court system.
