Youth Club **Spring Edition** — 2025

Spring is here! Join us as we hop into Youth Savings Month

April is **Youth Savings Month**, and we want to help you grow your knowledge about money and how to save it. Like the bluebonnets blooming outside, sometimes you just need one seed of information to start your journey to become financially savvy. Continue reading for a fun game using words about money, how to start a savings goal, and FREE things to do in and around Austin.

Don't forget to earn your **free Amy's Ice Cream gift certificate** by making a minimum deposit of \$30 into your Velocity Youth Club account at your nearest Velocity branch during (April) youth month! (Gift certificates can still be earned with good report cards throughout the year.)

Any youth member who makes a minimum deposit of \$30 at one of our branches in April gets a free Amy's Ice Cream gift card.

Let's Fill Up Your Savings

Imagine this is your special savings jar and you only have six months to reach your saving goal — how will you do it?

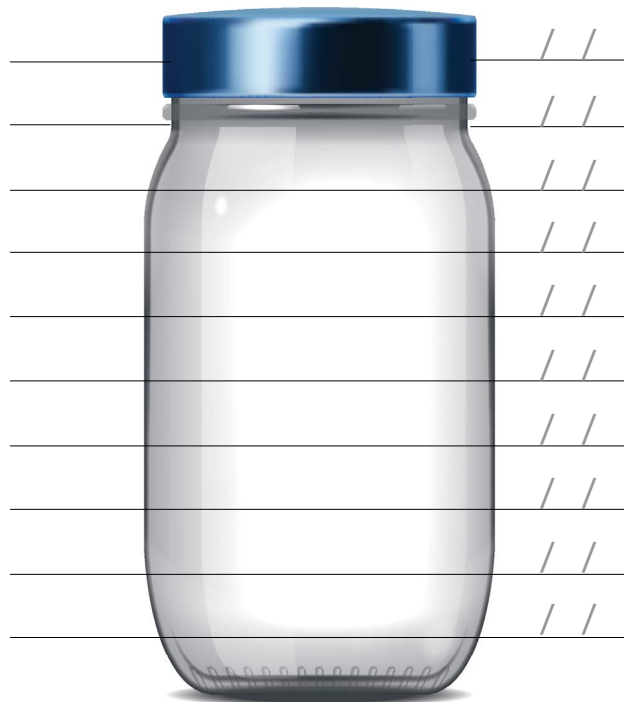

1. Set a goal of how much you would like to save. Let a grown-up help you figure out a good amount.
2. Determine how often you'll be able to add money to your jar. Check your progress at least once a week.
3. How will you earn the money to save? There are many ways, including birthday money, helping family do tasks around the house, or even saving that tooth fairy cash.
